## Work Experience

**2006-2010 Chuey Yuen Chinese Takeaway, Bournemouth**

I worked taking customer orders and managing the logistics for deliveries so that targets are met. Job also included packaging and delivering orders.

**2007 EZ Computers, Bournemouth**

Computers issues were diagnosed and then resolved. In addition, my work included constructing computers from components to a customer's specification.

## Other Positions Held

**2012-Present Paintball and Airsoft Club Social Secretary**

Running of social events for the club, in addition I help organise and run the trips.

**2011-2012 Airsoft Society President**

Planning and running airsoft trips for members. In charge of managing and maintaining society gear.

## **Skills**

- **Computing** - Proficient in Java. Experience in C, Python and SQL.
- **Team Working** - Shown from my success at the Extreme Engineering Challenge (group technology competition) and the Software Engineering Group Project at university.
- **Time Management** – I actively run the university Airsoft Society along side my studies.
- **Adaptive** - I am able to quickly adjust to different work environments and handle multiple roles.

## **Activities and Interests**

- **Airsoft**
- **Badminton**
- **Photography**

## **Additional Skills**

- Full UK driving licence
- Competent in conversational Cantonese Chinese
